A true copy of Warrant—ATTEST:

EMMA L. STOWELL,
CARRIE E. REED,
SPEDIE A. NEWTON,
School Board.

The attention of the school district is called to an amendment to the Public Statutes by the last General Court, as follows:

"The fiscal year of town and special school districts beginning February 16, 1917, shall end August 31, 1918, and thereafter the fiscal and the scholastic year shall end August 31, annually."

This change was approved by the Governor on April 4, 1917. Practically all school meetings had been held and in few instances would the appropriations be sufficient to carry on the schools for the extra six months. Your attention is called to this matter so that there may be sufficient appropriations made at the coming school meetings to support the schools until August, 1919.
